Dear Ms. Center:

This is in response to our conversation of February 16, 1999, regarding contribution limits to political issue committees. I have reviewed Advisory Opinion 1998-008, but I would appreciate a letter of clarification or an advisory opinion on two other points:

- AO 1998-08 is related to spending limits for political issue committees in support or opposition of constitutional amendments. Please advise whether this opinion also applies to issue committees in support or opposition of local ballot referendums.
- Also, AO 1998-08 involves corporate contribution limits for such initiatives. Please advise whether this applies to individual spending limits as well. It is our understanding that there also is no enforceable limit on individual contributions to an issue committee.

Thank you for your assistance. Please do not hesitate to contact me if you have any questions.

Sincerely,

Eric Gregory
